

DISTRICT COUNCIL OF GRANT

MEDIA RELEASE

21 May 2021

COUNCIL INVITES YOU TO HAVE YOUR SAY

District Council of Grant's Community Engagement Framework is currently under development and the Community is invited to "Have Your Say" on how Council engages with you.

Mayor Richard Sage encourages the community to give their feedback on how they want to be engaged by Council on future projects, plans and policies.

"We want our projects, services and plans to meet our community's needs, to do this we need to understand what, when, and how you would like to participate. By filling in a couple of short multiple choice questions on our Your Say DCG survey we will be able to gain a greater understanding of how to do this".

Best practice community engagement starts with involving key stakeholders in the design of engagement processes. We need your feedback to be able to develop our Engagement Framework so that we can ensure our communication is effective and assist us to continue to make decisions informed by our residents and rate payers said CEO Darryl Whicker.

"Your feedback will directly shape the draft Community Engagement Framework, which will out for public exhibition later in the year".

To give your feedback head to the "Have Your Say" page at yoursaydgc.com.au, the survey is open until 5:30pm Friday 4th June 2021. Following this the draft Community Engagement Framework will be developed and presented to Council for endorsement to go out on public exhibition. Subscribe to follow the project on Your Say DCG to stay up to date with the project.
