

COUNCIL UPDATE

The past twelve months has been one like no other with the trials and tribulations, the challenges that all our communities have had to face. We would like to take this opportunity to commend our community on their resilience and the value they continue to add making the district a great place to live, work and play.

Despite the significant impacts of Covid-19 great progress has been made and a number of key Council projects delivered including the recent ramp redevelopment at the Mount Gambier and District Saleyards, stage 2 of the Waterfront Redevelopment including the installation of a regional playground, rail trials and upgrades to a number of other public facilities including toilets at the Donovans Boat Ramp.

Moving into 2022 Council will be supporting the community in our new Covid-19 normal. One way we will be doing this is partnering with the Port MacDonnell Pharmacy to deliver pop up Covid-19 vaccination sites across the District. There will be pop up sites at our upcoming township meetings along with a further three at popular tourist beachside locations in late January 2022 we will keep you posted via Facebook.

From Council and Staff we hope that you have a very Merry Christmas and a safe and happy New Year!

COUNCIL DECISIONS

- Council supported the establishment of a community driven Anzac Day Working Group to co-ordinate and organise a Dawn service at Port MacDonnell for 2022
- Council will develop an integrated strategy around our natural assets to allow a consistent approach to decisions affecting the sustainable management and promotion of these areas.

Head to our website for full Council meeting reports and minutes.

FAST FACT: Our annual report presents a snapshot of Council's achievements during 2020- 2021 and is available on our website or by request
