Colour, Connection and Community Shine Bright

The District Council of Grant celebrated community and connection with the return of its popular Positive Ageing Luncheons earlier this month as part of South Australia's Week of Ageing Well.

Designed for residents aged 55 years and above, the luncheons provided an opportunity for residents to meet new people, catch up with friends, enjoy a meal together and celebrate ageing well.

Attendees at events held in Carpenter Rocks, Mount Schank, Port MacDonnell and Tarpeena wore their brightest colours, enjoyed games of bingo, prize giveaways and shared a meal.

Mayor Kylie Boston said the events were about more than just sharing a meal, they were a chance to strengthen social connections and celebrate the contributions of older residents.

"Our Positive Ageing Luncheons are all about encouraging our senior residents to stay connected, enjoy meaningful conversations and embrace what ageing well looks like in our community," Mayor Boston said.

"Council is proud to provide these opportunities to recognise the valuable contributions of our seniors and support them in living happy and fulfilling lives."

Council Decisions

Camping Across the District

Following the review and success of its trial, the District Council of Grant have endorsed expanding its online camping booking system, Bookeasy, to include the Dry Creek campsite.

Council introduced the system in December 2024 as a trial at the Eight Mile Creek campgrounds. The platform was designed to help manage visitor numbers, protect the environment and improve compliance with Council's Free Camping Policy.

Over the trial period, more than 1,000 bookings were recorded with most campers staying an average of two nights. Feedback from the trial indicated that the system was well received by visitors, improving the overall safety and management of camping activities.

The review also identified the need to close one of the Cape Northumberland sites due to cliff instability with improved signage to be installed at the main site. Discussions will also take place with the Country Fire Service and Burrandies Aboriginal Corporation about installing permanent fire pits at Eight Mile Creek.

In addition, Council will explore the introduction of 'low-cost camping' options to help recover management costs and enhance facilities, as well as trial a more flexible definition of 'self-contained vehicles' to align with modern camping expectations.

More information about these projects and other Council matters can be found in the Council Meeting Agenda and Minutes on the District Council of Grant website.

The website also includes Council's complete yearly meeting schedule so community members can easily see when upcoming meetings are planned.

Community Update Meetings

The District Council of Grant is inviting residents to a series of community meetings to hear updates on key projects and priorities, connect with Elected Members, and go into the draw to win a $150 local dining voucher by registering to attend.

Community members will be able to meet with Council's Elected Members, Chief Executive Officer, Directors and staff to learn more about current initiatives and plans to support the local community.

Each meeting will include updates on changes for the new 'One Council – No Wards' structure at next year's local government elections, information on roads and how to report faults, and Council's progress against the Strategic Plan 2024 – 2034.

Community members will also hear directly from local organisation special guests and gain updates on other key initiatives specific to each location:

Mayor Kylie Boston said the meetings are an important way for Council to keep the community informed and engaged.

"These meetings are a great chance to connect with us, your Elected Members, learn about what's happening across the district and ask questions about the projects that matter most to you," Mayor Boston said.

Principal Office: Updates on the projects within the Inner Townships Master Plan which will shape the future look and feel of some of the district's townships, streets and community spaces.

Saleyards: Progress on the Saleyards Transformation Project ensuring the facility remains modern, efficient and supportive of the local livestock industry.

"We want people to feel welcome to come along, whether you're interested in a specific project or simply want to stay up to date with what Council is working on for our community."

Four meetings will be held at Council owned facilities beginning at 5:30pm on:

- **Monday 13 October 2025** at the Principal Office, 324 Commercial Street West, Mount Gambier;
- **Monday 27 October 2025** at the Mount Gambier & District Saleyards, Corner of Fairbanks Road and Princes Highway, Glenburnie;
- **Monday 10 November 2025** at the Mount Gambier Regional Airport, Airport Road, Wandilo; and
- **Monday 24 November 2025** at the Port MacDonnell Community Complex, 5-7 Charles Street, Port MacDonnell.

Airport: Plans being actioned within the Mount Gambier Regional Airport Master Plan and the development of the new museum space, celebrating aviation history and enhancing the visitor experience.

Port MacDonnell: Information on the Coastal Adaptation Strategy which looks at how to manage the changing coastline into the future, and the installation of a hearing loop system to make the Community Complex more accessible.

Residents who register and attend a community meeting will go into the draw to win one of four $150 dining vouchers to enjoy at a local eatery of their choice within the District Council of Grant.

Register online at Your Say DCG, or contact the Principal Office on (08) 8721 0444 or info@dcgrant.sa.gov.au.

Have your say on

Growth, Investment and Visitor Economy

The District Council of Grant is inviting residents, businesses and industry stakeholders to have their say on the new draft Growth, Investment and Visitor Economy Framework.

Developed to support Council's economic goal of creating '*a growing and vibrant economy, optimising our diverse primary industries and unique natural assets*,' the Framework outlines how Council will encourage growth, investment and partnerships that benefit the district.

Mayor Kylie Boston said the draft Framework has been shaped by the ideas and feedback gathered through initial engagement with local businesses, tourism representatives and Elected Members.

"It has been great to see so much interest and optimism about the future of our district," Mayor Boston said

"This draft is our proposed shared vision for how we can support tourism and business growth,"

The document details a series of short-term and long-term actions for Council to progress over the next 5 years, alongside initiatives to advocate for to benefit the entire region.

Chief Executive Officer Darryl Whicker explained the Framework provides a clear roadmap for balancing growth with sustainability.

"It is about making sure our economy evolves in a way that benefits our community, protects our environment and secures opportunities for future generations,"

"This Framework works hand-in-hand with our Strategic Plan and other long-term planning documents, ensuring economic development in our district is coordinated and backed by community values."

"The draft Framework sets out the practical and proactive steps Council proposes to take to strengthen our economic base, from supporting existing industries and businesses to identifying opportunities in tourism, renewable energy and regional partnerships." - Chief Executive Officer Darryl Whicker

Residents, businesses and industry representatives are now invited to review the draft Growth, Investment and Visitor Economy Framework and share their feedback.

The complete draft Growth, Investment and Visitor Economy Framework is available to view online at Your Say DCG.

yoursaydcg.com.au

Hard copies are available to review at Council's Principal Office at 324 Commercial Street West, Mount Gambier and Port MacDonnell Community Complex at 5-7 Charles Street, Port MacDonnell.

Feedback must be submitted to the District Council of Grant by 5:00pm Friday 21 November 2025.

Food Organics and Garden Organics (FOGO)

Properties still with a lime green lid bin from Council's first FOGO service trial and have not opted in to the service are asked to present their bin on the next recycling bin collection day between 10 and 14 November 2025.

Even if the bin has organic material in it, please present it and Council's contractor will empty the bin free of charge. Council works staff will collect the bin shortly thereafter.

Community Spotlight

Citizen of the Year Awards

Do you know someone making a real difference in our community?

The District Council of Grant are calling on residents to help recognise our district's unsung heroes by nominating them for a 2026 Australia Day Citizen of the Year Award.

The Awards celebrate individuals, groups and events that contribute to a stronger, more vibrant community through areas such as education, health, environment, business, sport, arts and community services.

District Council of Grant Mayor Kylie Boston said it is important to acknowledge those who make a positive impact.

"If you know a person, group or event that has made a real difference in our community, nominating them for an Australia Day Citizen of the Year Award is a great way to recognise their efforts and say thank you."

"I'm deeply honoured and very humbled to be recognised and receive the Citizen of the Year Award. I don't do what I do for recognition," Mrs Doloughan said.

"Volunteering within my local community gets me out and about and [it's] an opportunity to give back to the community that has welcomed and supported me,"

"This award is a reminder of the power of community and the impact we can make when we come together with a shared purpose,"

"It is a celebration of the countless individuals who have contributed their time, energy and resources to make our community a better place. I'm proud to be part of a community that values compassion, resilience and progress."

Award nominees and winners will be celebrated and presented with certificates at a private event on Monday 26 January 2026.

Nominations are open for the following categories:

- Young Citizen of the Year
- Citizen of the Year
- Community Event of the Year
- Active Citizenship

2025 Australia Day Citizen of the Year Award recipient Jacqui Doloughan shared her gratitude and reflections on the award.

Nominations close 5:00pm Sunday 16 November 2025. Submissions can be made online.

Health and Wellbeing

Dementia Support Pharmacist Program Extended

The Dementia Support Pharmacist Program, funded through Country SA Primary Health Network, is transforming dementia care across community, home and aged care settings.

The program has recently been extended until 30 June 2026, ensuring continued support for people living with dementia, their families and healthcare professionals throughout regional South Australia.

The free service offers expert guidance on medication management helping to improve treatment outcomes, reduce hospitalisations and promote a better quality of life. Pharmacists provide personalised support through face-to-face and telehealth consultations, offering tailored education, symptom management strategies and assistance with advanced care planning.

Working collaboratively with general practices, aged care facilities and specialist nurses, the program builds strong local networks that enhance communication and streamline care. The focus is on empowering clients and their carers to live well with dementia in their preferred environment for as long as possible.

Whether you're a family member seeking clarity on medications or a healthcare professional aiming to improve patient outcomes, the Dementia Support Pharmacist team are there to help.

Find out more about the program by contacting the Dementia Support Pharmacist team on (08) 7079 8600 or dementiasupportpharmacist@psa.org.au.

Your Rights and Protections Under the New Aged Care Act

The new rights-based Aged Care Act will start from 1 November 2025. It puts you at the centre of your aged care and creates a safer and fairer system for everyone, so you can live your best life, no matter who you are or where you live.

The new Act gives you the right to:

- Choose if you want help making decisions and choose who will give you that help
- Access aged care services through an improved assessment process
- Get all the information you need, in a way that you can understand so you can make informed choices
- Have your culture, language and traditions respected

Some key features of the new Act include:

- The new Support at Home program which will help you stay independent and safe in your own home for longer
- More options to voice your feedback that make sure your concerns are addressed by your aged care provider
- Strengthened Aged Care Quality Standards to ensure you receive high quality care that meets your needs and preferences

Find out more about the new Act and aged care services on the My Aged Care website or call 1800 200 422.

What's On at the Saleyards

Community Update Meeting at the Saleyards

Approximately 30 community members gathered at the Mount Gambier and District Saleyards for Council's recent Community Update Meeting.

The session provided an opportunity for Council representatives to share updates on key projects, upcoming initiatives, and priorities for the district, while also hearing directly from those who live and work in the community.

Council thanks attendees for their ongoing interest and input, noting that these meetings are an important way for Council to stay connected and ensure local voices help shape future decisions.

Council looks forward to continuing these conversations across the district as part of its commitment to transparent communication and community engagement.

Drought Response Wellbeing Service

While rain has returned, the impact of drought is ongoing and there is practical and confidential support available wherever it's needed.

The LINC Drought Response Wellbeing Service is a free mobile and on-the-ground wellbeing support program for anyone impacted by drought and are located in Kangaroo Island or Limestone Coast regions.

This service is for anyone impacted by drought, not just farmers, but also small business owners, hospitality providers, workers, students, families and community members feeling the flow-on effects.

The service team offers tailored wellbeing support to suit your needs, wherever you are. No referral required, just call for a friendly chat and a cup of tea

How Farmers and Agribusiness Can Take Control

Feeling overwhelmed by creditors? The pressure of mounting debts and creditor demands can feel relentless. Many people worry about the risks of refinancing, feel uncertain about negotiating with creditors or like they're drowning in debt.

Starting the conversation is something you can control of and it's often the turning point towards regaining stability. The Small Business Commission SA is here to help. When you contact them, you'll speak with advisers who understand the unique pressures faced by farmers and agribusiness owners. Their process is straightforward and confidential.

Get in touch by calling 1800 072 722 or find out more on Small Business Commission SA's website.

Reminders

Fire Danger Season

The Lower South East's 2025-2026 Fire Danger Season has been declared from 1 November 2025 to 30 April 2026.

During this period, restrictions apply to lighting fires to reduce the risk of large fires starting. These restrictions become even stricter on Total Fire Ban Days.

More information about how to prepare for the season can be found via the CFS website.

www.cfs.sa.gov.au/plan-prepare/

Don't wait for Summer

Extreme weather and the impact it has on power supply is not confined to specific seasons and South Australia's electricity network, like other states, is likely to be impacted by changes to extreme weather patterns.

Most weather-related power outages are caused by the prevailing conditions, such as wind, lightning, or storms. But at times, to help keep communities safe during periods of high bushfire risk, SA Power Networks need to take pre-emptive safety steps. While these measures can sometimes affect your power supply, they are critical to helping protect lives and property during high bushfire risk times.

To prepare the electricity network for extreme weather, SA Power Networks work closely with emergency services throughout the year and especially during higher-risk months. Our year-round work includes:

- Clearing trees and vegetation near powerlines
- Inspecting poles and wires, especially in bushfire-risk areas
- Upgrading and maintaining equipment to handle high summer demand

Dog Owner Commitment

Owning a dog is a commitment you'll need to manage for 15 years or more.

Choose your pet for life ... a life filled with love and laughter.

To make an informed life choice with a canine friend, download the Dog and Cat Management Board's Dog Owners Handbook.

In the book you will find:

- Information on how to care for your dog;
- Strategies to prevent your dog causing public nuisance or injury; and
- Information on the legal requirements for owning a dog in South Australia.

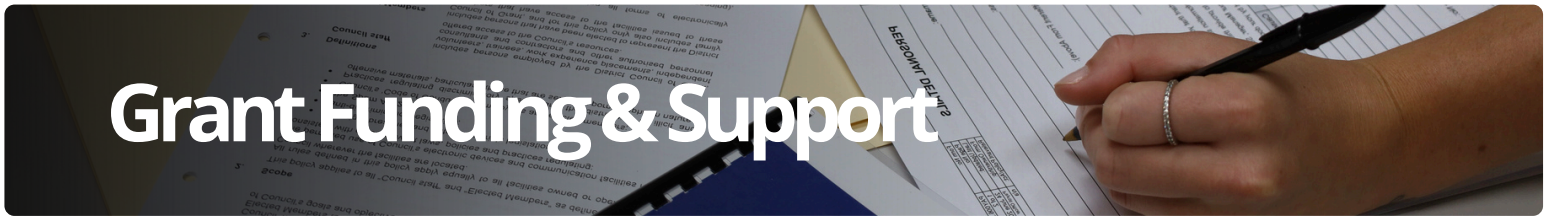

It is important to remember that your dog is dependent on you to provide its food, water, shelter and the activities necessary for its physical and mental health.

This commitment to your dog could last for at least 15 years, so investing in the establishment of a great relationship from the very beginning will be rewarded by years of happiness together.

Grant Funding & Support

Strengthening Rural Communities Small & Vital Round 27

The Strengthening Rural Communities Small & Vital stream gives small remote, rural and regional communities across Australia the opportunity to access funds for a broad range of initiatives that directly and clearly benefit local communities.

There are two tiers of Small & Vital funding available:

- **Small grants, up to $10,000,** are available for a range of grassroots, community-led initiatives that directly and clearly benefit local communities that strengthen local people, places and climate solutions, with a preference for smaller communities (populations less than 15,000 people).

- **Larger leverage grants, up to $50,000,** are available for projects that focus on strengthening the digital skills, confidence and safety of adults enabling them to get online, build social connections, access services, information, education and employment through training.

The Small & Vital program supports thriving, resilient, and sustainable remote, rural and regional communities across Australia. In particular, priority will be given to projects that:

- Support communities to implement generational transition;

- Invest in outback, remote and less resourced communities;

- Build capacity and resourcing for a just and equitable energy transition;

- Support First Nations-led initiatives that strengthen culture, country, economic participation and reconciliation.

Applications are accepted on an ongoing basis.

Applications close Thursday 4 December 2025.
