

COUNCIL UPDATE

Council has developed a Community Engagement Framework which was endorsed at the Ordinary Council Meeting on Monday 16 August 2021. This document provides a road map for why, when and how Council engages with the community and also what the community can expect from us in relation to community engagement opportunities. To view the Framework head to our website or contact Council for a copy via the details below.

Township Meetings were highlighted through the Framework consultation as the most popular way for Council to engage with the community. We heard what you said and as a result Council developed and endorsed the DCG Annual Meeting Schedule. Mayor Richard Sage, the Elected Members, and CEO Darryl Whicker will be coming to a town near you over the coming months. Below is the meeting calendar, and further details will be provided once exact dates are confirmed. We look forward to meeting with you soon!
