

DISTRICT COUNCIL OF GRANT

Expression of Interest for Private Lease, Kongorong

The District Council of Grant has recently received an expression of interest from a resident to Lease the laneway adjacent to their property, between Gordon Street and Butler Street, Kongorong. The purpose of this arrangement would be for the affected portion of the laneway to be fenced off to allow for ease of rear access to the applicant's property.

In line with our consultation obligations, Council invites feedback and comments from members of the community on the exclusion of community land by way of private lease. More information and instructions for the provision of feedback, can be obtained from Council's Your Say website <https://yoursaydgcg.com.au/> or from Council's principal office at 324 Commercial Street West.

Council encourages feedback from both individuals and groups within the Kongorong community who may have an interest in or who utilise the area. Submissions must be received via Your Say or in writing to the Council by **COB, Thursday 2 September 2021**.

All queries or requests for further information should be directed to Council on (08) 8721 0444 or the Port MacDonnell Community Complex on (08) 8738 3000.

A handwritten signature in black ink, appearing to read "Darryl Whicker", is positioned above the printed name and title.
